Troop No. 1 Lahaina—25 scouts, 1 scoutmaster, 1 assistant scoutmaster, 3 troop committeemen, 1 deputy commissioner and 5 district committeemen.

Troop No. 1 Kipahulu—17 scouts, 1 scoutmaster, 1 assistant scoutmaster, 3 committeemen.

Troop No. 1 Waihee—12 scouts, 1 scoutmaster, 3 committeemen.

The following places are still to be reached for the organization of troops: Hana, Kaupo, Lahainaluna, Haiku, Waikapu, Hamakua, and Kula.

Spreckelsville

On Tuesday night there was a meeting at Spreckelsville at which over twenty boys were present. John M. Brown the instructor in manual training in our public schools has accepted the position as scoutmaster. There has been six meetings held by the commissioner both at the Spreckelsville school and the club house and the boys are well up on knot-tying and the general work of the Tenderfoot requirements.

Makawao

On Tuesday the second meeting of this troop was held in the school house and 19 boys were present. It was a rainy windy day and on account of sickness in the neighborhood many of the boys who would have been present were kept at home. The usual knot-tying contests and games were indulged in as were also a number of scout games. The boys of this troop are unusually well up in knot-tying as many of them are homestead boys and used to handling stock where knot-tying comes in handy. Tenderfoot requirement blanks were handed out and the boys will be busy this week in getting ready for the examinations to be held next week.

Puunene No. 1

On Saturday morning all the members of troop No. 1, Puunene in charge of the commissioner and scoutmaster Kan gathered at the Kahului Beach House and passed tests in fire-making with two matches and second class

cooking tests. Only three scouts failed to pass all the requirements.

Before leaving the house the scouts gave the place a thorough Scout cleaning and made away with all traces of fire. It is the habit of a scout to leave the place cleaner than he found it.

Kula

Owing to the inclement weather and the bad condition of the roads the commissioner was unable to get to Kula this week. But as soon as the roads are in good condition the commissioner will make a trip to this place and get a troop started. Just a little patience boys and you will soon be busy at Scouting.

Kahului

Tuesday night was a red letter day for Kahului as the boys to the number of twelve held their first organization meeting in the community house. After a talk by the commissioner the boys got busy on knot-tying practice and games. They then held a short drill ending up with the Kelly drill and games. Mr. Turner of the Kahului Railroad will be scoutmaster of this troop.

Maui News

The Maui News offer to the scouts is a splendid opportunity for the scouts to get uniforms and equipment without touching your bank accounts or better still touching father. One of the special features of scouting is the Thrift Habit. A Scout is Thrifty; Law No. 9.

He works faithfully, wastes nothing, and makes the best of his opportunities. He saves his money so that he may pay his own way. Here you are, this is a chance to pay your own way. It is a splendid opportunity to learn how to be a salesman and give you an opportunity to show the people of the community that a scout is helpful, courteous, and Thrifty. Get busy and earn your own money to pay for your scout equipment.
